

RACI Canvas

- R – Responsible (does the work): the doer who delivers the output. Prefer one R (or one lead R).
- A – Accountable (approves/signs): ultimately answerable for quality; must be exactly one.
- C – Consulted: people whose input is needed (two-way).
- I – Informed: people to keep in the loop (one-way).

EFT(Energy footprint tool) baseline

	R	A	C	I
Collect the last 24 months of energy bills				
Enter the numbers into EFT and check they make sense.				
Write down when the church is in use.				
Make a one-page baseline summary.				

On-site survey

	R	A	C	I
Make a plan and a checklist				
Take the photos on site				
Mark up the floor plan and list problems				
Bundle everything into an "evidence pack" with clear names.				

Need & Significance draft

	R	A	C	I
Do a short interview and pull out the key points.				
Write a first rough draft (v0).				
Link every claim to real evidence.				
Review and produce version 1 (v1).
